2023-2024 Apple iPad User Agreement

Introduction

The purpose of this Agreement is to establish the rules and conditions under which an Apple iPad (1:1 device) is issued to a student enrolled at the Wyomissing Area School District (WASD). This Agreement is for the 2023-2024 school year unless it is modified by the WASD. The WASD student and his/her parents/guardians must understand and sign this Agreement before the student may take possession of the device. If a student or parent/guardian does not understand any part of this Agreement, he/she should ask for an explanation or clarification.

The Purpose of the Device

The purpose of providing an electronic 1:1 device is to support and enhance the education of the WASD student. The WASD teachers and staff will integrate technology and the 1:1 device into the curriculum when appropriate. The 1:1 device will play a role in developing the knowledge and skills to be successful in the 21st century.
