

WYOMISSING AREA SCHOOL DISTRICT

Dear WASD Parents/Guardians

April 3, 2020 Update

Our online instruction began this week. Thank you to our students, parents/guardians, and staff members for working together to move forward through this challenge. The purpose of this email is to provide an update on a few items.

Closure:

Governor Wolf stated that all PA schools are closed indefinitely. This means that all events, extra-curricular activities, athletics and community use of District facilities are also canceled until schools are permitted to open. We will monitor information and share updates as they are available.

Calendar:

April 6,7,8 & 13 are online instruction days. These days were previously designated as snow make-up days.

April 9 & 10 are holidays for students and staff.

WASD is scheduled to end the 2019-20 school year on June 5, 2020.

Education:

WASD started providing online instruction this week for students in grades K-12. Our principals will provide weekly updates to include any additional information, resources and contact information for questions and concerns.

Guidance Counselors:

WASD guidance counselors (K-12) are available to assist students and families. The link below provides information from our counselors and their contact information:
