

Dear WREC Family,

I hope everyone in your household is continuing to stay healthy and making the best of this “socially distant” time we find ourselves in these days. We are finishing up our third week of distance learning together and I continue to be pleased with the overall response from our students and parents. We will continue to help you work through any technical/logistical issues with the ultimate goal of every school day having all WREC students engaged in learning and actively working with their teachers. **Students should be logging in to their Schoology accounts daily to check on posted assignments from their teachers, as well as submit assignments.** One of the methods we are using to track student attendance is by monitoring students logging into Schoology, so the expectation is that students should be doing this every school day.

Next week, teachers will begin offering online Webex class sessions. Webex is a secure enterprise solution for video conferencing and online meetings. All WREC students were provided the opportunity to participate in Webex meetings this past week with their homeroom and writing teachers. Overall, we were very pleased with the participation rate of our students and very much enjoyed interacting with them again. Our teachers have communicated a formal learning and Webex schedule that we will begin the week of April 20th. I’ve also posted a copy of that schedule below and encourage you to access the Webex information posted on our district website at:

If you want to request that your student have access to his/her student iPad because your devices at home are not integrating well with our instructional resources, please email me at cbabb@wyoarea.org and request to pick up your student's iPad. I have generally been scheduling pickups to coincide with the handing out of school lunches at WREC. I will get back to you with a specific time/date for that to happen.

As always, if you have any additional questions, please email me at cbabb@wyoarea.org, or call me at my extension listed below.

Stay healthy!
