

Wyomissing Area School District
630 Evans Avenue, Wyomissing PA 19610

Assistant Superintendent Goals

Melissa L. Woodard, Ed. D.
2023-2024

Continue to Demonstrate Student Growth and Achievement

- Create an aligned and articulated K-7 math curriculum that improves student proficiency based on state assessments by 15% by the conclusion of the three-year period
- Integrate phonics and phonemic awareness instructional practices into the K-4 ELA curriculum documents
- Develop a final rendition of the WASD Portrait of a Graduate and communicate the document to all District and Community stakeholders
- Offer and expand opportunities for high school students to earn college credit via the implementation of RACC Dual Enrollment courses on the high school campus and/or Early College courses (online via RACC)
- Through the partnership with Albright College, continue to develop educators' practices to integrate Total Experience Learning (TEL) to aid in strengthening student agency in the classroom and prepare them for future careers
- Utilizing the expertise and connections of the WASD Internship Coordinator, provide opportunities for students to engage in career-focused learning experiences during their high school education (i.e. volunteer internships, paid internships, Diversified Occupations experiences)

Continue to Provide Support for Students

- Expand resources to increase support of the social and emotional needs of WASD students
