

## WYOMISSING AREA SCHOOL DISTRICT MEDIA RELEASE NON-CONSENT FORM

The Wyomissing Area District takes great pride in sharing and celebrating the accomplishments of our students with our community!

Photographs and videotape footage of students involved in various school-related activities are often used as part of district publications, website, and social media (Facebook, Instagram, and Twitter) in the Wyomissing Area School District.

While we look for every opportunity to showcase the programs and activities of the Wyomissing Area School District, it is crucial to the safety, security, and privacy of our children and their families that we do not violate anyone's rights or cause unhappiness by featuring students whose parents or guardians in no way want publicity.

**If for any reason you do not wish for** photographs or audio/video of your child used in district publications, please complete this form, and return to your child's Principal as soon as possible. If this form is not returned, please look forward to future publications that may feature your child's achievements or participation in school activities.

**Please note:**

If you have completed this form and an image of your child is accidentally included in a district publication, simply contact [Communications@wyoarea.org](mailto:Communications@wyoarea.org) and we will take immediate action.
