

Health & Safety Plan Update

- Last WASD review was in June of 2023
- Health and Safety Plan continues to need review every 6 months through June 2024 - PDE requirement related to funding
- Guidance for K-12 schools continues to come from the PA DOH site
- Isolation for 5 days from symptom onset, followed by 5 days of continuous masking, still applicable for COVID+ persons
- Recommendations based on DOH guidance provided for reported exposures

COVID Testing & Vaccines

- COVID booster and flu clinic offered to staff in October 2023
- COVID home test kits offered to staff in fall of 2023 - approximately 125 WASD staff took advantage of these tests
- Additional home test kits will likely be offered before spring break and if so, Director of Pupil Services will apply for 2-4 tests per staff member

Next Steps

School Board action on January 22, 2024 to approve continued Health & Safety Plan with no revisions
